A Bradford Area Occupational Health and Safety Forum Event

Organised in Partnership with the
Strategic Health Improvement Partnership and
the Healthy Communities Funding Team

For ten years now the Forum has been acting as a network for sharing information, ideas and expertise on Occupational Health and Safety and as it's time to celebrate it's achievements, free stall space is available for members. The Forum welcomes any suggestions you may have for speakers and workshops for this event.

The event is taking place during Health and Safety week, the theme this year is construction.

Highlights

Presentations and workshops on:
rehabilitation, construction,
Occupational Health in Primary Care,
and the Occupational Health and
Safety of ethnic minorities.
Exhibitions, workshops, etc.

Tuesday 19th October 2004

Drop-in 9am-4pm, launch 10am
at Carlisle Business Centre in
Manningham Bradford.
